Rebecca Assuncao de Oliveira Sousa

Front-End Developer

Toronto, ON | rebecca_sousa@hotmail.com | linkedin.com/in/rebecca-sousa-32585a138 |
https://github.com/rebecca15sousa

Recent animation graduate looking to change work field to web development. Had initial experience and learned the basics during undergraduate program. Currently self-learning at home by working on personal projects and doing online courses.

Projects

Azul Digital Boardgame (https://github.com/rebecca15sousa/azulbg)

- Personal project of a digital version of the boardgame "Azul", still a work in progress.
- Applied web development technologies CSS3, HTML5, JavaScript and Git.
- Challenges included implementing game functionalities and creating a good UI/UX design.

Skills

- **Web Development:** HTML5, CSS3, JavaScript, Git.
- **3D animation:** modeling, rigging, animation, lighting and rendering with Autodesk Maya and Blender.
- **Animation pre-production:** Storyboarding, character design, background layout.
- **Web Design:** UI/UX design, logo and branding, infographics, typography.
- **Adobe Suite:** Illustrator, Photoshop, After Effects, Premiere and Audition.
- **Microsoft Office:** Word, PowerPoint, Excel.

Work experience

Intern for "Debate Papo" project at Federal University of Ceara

Fortaleza, Brazil (Mar 2016 – July 2017)

- Helped to organize debate events by handling communication with guest speakers.
- Researched relevant topics for the debates through analyzing survey data collected from students.
- Created the visual identity for the project, used in social media.

Intern illustrator and writer at Ad Astra Comix

Toronto, Ontario (May 2015 – Aug 2015)

- Produced a short comic about hippotherapy as an individual project.
- Collaborated with a team on the production of a comic about transport and urbanization.
- Responsible for script writing, illustration, inking and coloring.

Education

Conestoga College – Kitchener, Ontario
